

## Product Offering

## About DiversiTech

DiversiTech Corporation is North America's largest manufacturer of equipment pads and a leading manufacturer and supplier of components and related products for the heating, ventilating, air conditioning, and refrigeration (HVACR) industry.

Headquartered in the Atlanta, GA metropolitan area, DiversiTech manufactures a suite of products which includes a wide range of mechanical, electrical, chemical, and structural parts for HVACR and electrical systems, and swimming pool installations. The company maintains manufacturing and distribution facilities in key U.S. locations, Europe, and in the Far East. DiversiTech has enjoyed a continued history of successful growth and has acquired industry-recognized names including Devco® Enterprises, Wagner® Manufacturing, The Black Pad®, and Specialty Chemical.

**DIVERSITECH**®

## Eco-friendly

**T**he Black Pad<sup>®</sup> is an innovative equipment pad that uses ground, recycled rubber in a coinjection process. The pad is extremely durable, resistant to ultraviolet light, and heavier than a completely plastic pad. The Black Pad<sup>®</sup> is ideal for use under pool pumps, filters, and heaters. It is faster and easier than pouring concrete pads and will not crack. Make your installations faster and easier with The Black Pad<sup>®</sup>.

## The Black Pad<sup>®</sup> Replaces Concrete Equipment Bases

- **No cracking and less breakage than concrete**
- **Extremely durable, yet lightweight**
- **UV resistant; unaffected by weather**
- **Generous ribbing for optimum, self-leveling ground support**
- **Outer edges have rounded corners with double-thick walls**
- **Uniform ribbing transfers load evenly**
- **Textured surface prevents equipment slippage**
- **Drillable for securing equipment**
- **Made of recycled material**
- **ICC Certified to 1997 Standard Swimming Pool Code sections 305.2 Mounting and section 405 Equipment Foundations and Enclosures.**
