Plastic DWV J-Hooks

Product: DWV Swivelling J-Hook

Purpose:
• Used in the installation of ABS and PVC Pipe for drain waste vent

Benefits:
• The J-Hook assures a greater accuracy in hanging pipe and relieves problems due to improper movement after hanging.
• Can be used vertically or horizontally.
• Has versatile placement ability.

Technical Specifications:
• Max Working Temperature: 220°F

Installation Requirements -
Requirement: Vertical Piping
Pipe shall be supported at each story and at no more than 4 foot (1219 mm) intervals.

Requirement: Horizontal Piping
Pipe shall be supported a minimum of no more than 4 foot (1219 mm) intervals.
