Hard Start Kits

Hard Start Kits

DiversiTech hard start kits reduce contractor call backs by boosting the starting capacitor for a compressor. This prevents home brownouts and improves homeowner satisfaction with your service.

DiversiTech's hard start kits feature a potential relay that disconnects the start capacitor from the circuit at exactly the moment it is no longer needed to boost the compressor. This results in a precision compressor start even under hard starting conditions.

Catalog No.	Description	UOM	Order Multiple	List Price
HSK1	Hard Start Kit for 3.5-5HP Compressor	EA	1	\$93.36
HSK5	Hard Start Kit for 1-3HP Compressor	EA	1	\$80.64
